

Normandy Inn at Le Val Bore

Places to eat in the area

There are a number of restaurants and places to eat in the local area but please note that in France people are more likely to eat at lunchtime and many restaurants do not open every evening.

Whilst it is advisable to book or check that somewhere is open during your stay; there is always somewhere open in Villedieu Les Poeles

This information is up to date as far as we are aware; we are always pleased to hear about other restaurants etc that we can include on our list so please tell us about places that you have eaten in.
